## IT PAYS TO CHOOSE DURABILITY

Offering dependable long-term performance, the **Navigo C** is a valuable addition to any city fleet. Its structure is durable, helping to keep ownership and running costs low. High construction quality ensures the reliability essential for shuttle services. Its passenger area includes a platform for a wheelchair, while a manual ramp makes easy access for everyone. With room for up to 46 passengers and optional automatic transmission, the **Navigo C** adds both practicality and flexibility to urban transport.
